OfficeMax®
Government Solutions

Great news!!!! The Civil Air Patrol / OfficeMax Government Solutions program now receives Air Force Contract pricing. What does that mean to CAP members? Additional cost savings as OfficeMax's GSA Schedule pricing is discounted 7% for the Air Force BPA.

The CAP's agreement with OfficeMax Government Solutions addresses many office needs to include furniture, technology items, paper, toners, general office supplies and print services. We provide quick, free delivery with no minimum order requirements.

It's so easy with OfficeMax Government Solutions. Fill out the attached form and email or fax to the email or number listed. When your form is received, you will be emailed your logon information. Once you have your logon, you can begin placing orders through www.government.officemax.com. Purchases require a credit card.

Alternately, you can call our Federal customer service specialists at 1-888-505-FEDS to set-up your account and place your order right away! Inform customer service you are with the **Civil Air Patrol**, **account number 523970, to receive your special CAP agreement pricing.**

As an added feature, you can also use the attached '*Retail Connect'* card at the register of any OfficeMax retail store location. Simply print out the card and take it to any OfficeMax location. *If the item you are purchasing is one of the more than 6,000 items that qualify for Air Force BPA pricing you will receive that price on the spot.* The discount is applied at the register.

If you have any questions, please don't hesitate to contact me. I look forward to working with you to ensure that the Civil Air Patrol/OfficeMax Government Solutions partnership drives value for you and that you become a very satisfied customer.

Thanks for your support.

Sincerely,

Tony Carey
