

Dear Cadet,

As you know, you have been selected as a primary to attend the Specialized Undergraduate Pilot Training Familiarization Course Mississippi (SUPTFC-MS) for the class of 18-01.

The dates are 20-28 July 2018 and the activity will be held at Columbus AFB, MS.

The activity fee is \$450. This covers all expenses except travel and spending money.

You need to accept your slot by the date that national told you. Otherwise, your slot will be transferred to an alternate.

Much information can be found on our FaceBook page as it becomes available. If you do a search for SUPTFC 2018. Once admitted, you should be able to follow and communicate as needed, check it periodically.

Attached you should find the boldface and operational limits that need to be memorized before you arrive. This will help you gain so much more out of what is taught and experienced.

For now, begin paying for this activity and print off the page of your form 31 where you and your parents sign it. This is the link you need to send the scanned copy to <https://goo.gl/j329is>. Please give the document this title: Form 31 Last name, first name. I will need this before the beginning of the activity to ensure that I have it and have access to it in case we need it. We will probably need a few more forms filled out, but the base has not given them to me. I will send a link for them as well.

I am looking forward to another great year in Mississippi!
