## **Schools in CAP's 2015-2016 ACE Program:**

Schools that are highlighted in yellow are **100% ACE schools**, meaning all of the classes in that school are participating in CAP's ACE program through the efforts of school educators.

**Thanks to ACE Presenting Sponsor- [Air Force Association](#) (AFA); and Supporting Sponsors- [Lightspeed Aviation Foundation](#) and dedicated CAP and AFA members, CAP is able to provide the program to a growing number of educators and students! An \* beside the school indicates an AFA chapter sponsorship for that school. (Thanks, AFA Chapters across the nation!)**
