CAPF 160

Exercise: CAPF-160

Activity #1: We are planning a hiking trip in early March (in Pennsylvania) at the state park about an hour from the squadron. The group will meet at the squadron and ride together in the CAP van, plus an adult leader's personal vehicle. The hike is about 8 miles and we anticipate the group taking about 3-4 hours.

Activity #2: The squadron is planning to volunteer at the local air show. Individual members of the squadron will be tasked out to do things such as crowd control, parking, etc. The group will be dropped off by their parents in the parking lot of the air show, as it is only 10 minutes from the squadron. The squadron plans to be there for about 4 hours.

Activity #3: The squadron is planning to go rock climbing at the local indoor rock gym. The cadets will be dropped off at the gym by their parents, as its close to the squadron building. The group plans to be there for about 4 hours.

77%

of cadets want to be active
“nearly every week
plus some weekends”
