

The Civil Air Patrol logo is a large white triangle with a light blue border. Inside the triangle is a red propeller with three blades. The text "CIVIL AIR PATROL" is written in a blue, sans-serif font across the middle of the triangle.

# CIVIL AIR PATROL

A dark blue triangle pointing upwards, containing the number "3.5" in white.

TRAINING LEADERS *of* CADETS BASIC COURSE

## **Key Question**

After TLC Basic, what are the next steps in your development as a Cadet Programs Officer

**TOP  
TEN****Self-Help Continuing Education Resources**

1. Read the regulation
2. Attend TLC Intermediate
3. Use the Specialty Track Study Guide & CP Officer Smartbook
4. Read the Subordinate Unit Inspection Guide
5. Talk with a mentor
6. Talk with the Group or Wing DCP
7. Develop a relationship with neighboring squadrons
8. Listen to the older, more experienced cadets
9. Browse the Knowledgebase
10. Browse National Cadet Team webpages [capmembers.com/cadets](http://capmembers.com/cadets)

3/3

## Final Thought

What's next after TLC Basic?

Professionalism isn't what you do,  
it's how you do it.

CP Officers are unpaid professionals  
in the field of youth development.
