CAP Emergency Services Professional Development

Challenge:

- Access by CAP members to FEMA Emergency Management and Emergency Services courses varies across nation due to state budgets, application policies, course delivery schedules, distances, as well as other limitations.
- CAP has qualified/experienced instructors, but no means to access course materials, tests, administrative support, and permissions to conduct classes.

CAP Emergency Services Professional Development

Purpose:

- Provides a multi-faceted approach to accessing FEMA resident and non-resident training programs
 - Streamlining admissions and enrollment for CAP.
 - Opening enrollment for nation-wide access.
 - Building a cadre of CAP Instructors to deliver courses across all Wings.
- Gives Wing CCs opportunity to guide Wing needs.

CAP Emergency Services Professional Development

Types of Courses:

- *E-Series: FEMA/EMI resident courses. Registration is endorsed by Wing CC; not state or regional FEMA offices.
- *E-Series T-t-T: FEMA/EMI resident courses. Registration recommended by Wing CC, endorsed by CAP/DO, and approved by EMI Program Manager; only taught at EMI.
- L-Series FEMA non-resident courses. Registration is approved by Wing CC and host.

**Travel Reimbursed/Lodging Free*

CAP Emergency Services Professional Development

Types of Courses:

- L-Series CAP Instructed non-resident courses. Registration endorsed by Wing CC and testing/certificates are provided through eServices on Learning Management System (LMS).
- G-Series FEMA Courses. Provided through state Emergency Management Authority (EMA). State establishes enrollment policies and approves attendance.
- G-Series CAP Instructed FEMA Courses. Taught by NHQ approved instructors; testing and certificates through LMS.

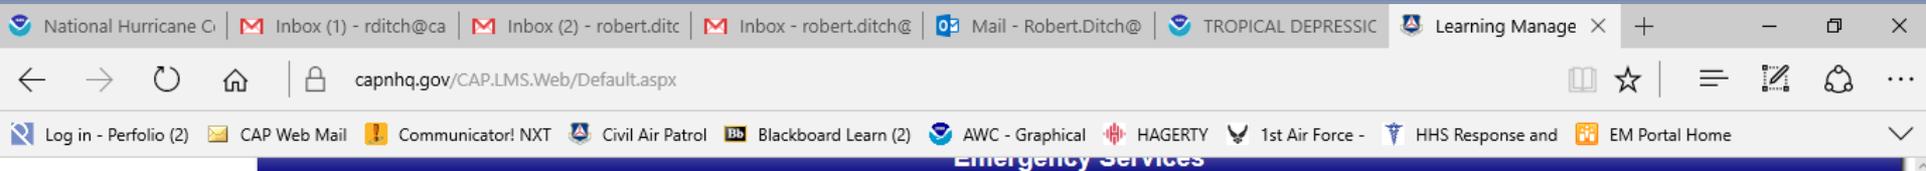

CAP Emergency Services Professional Development

CAP L and G Series Course Delivery Process:

- Wing CC approves and requests course to be taught.
- Certified instructors provided by CAP/DO; funding comes from Wing for travel, lodging, printing, advertising, services/supplies, and facilities. Appropriated training funds may be used with prior approval and coordination with the CAP/DO.
- Electronic course materials provided by CAP/DOSI
- Instructors enroll student CAPIDs through CAP/DOSI
- Upon completion students take tests in eServices/LMS.
- eServices provides results and certificates; LMS updates SQTRs automatically.
