

ACE Plus Program Award

The Civil Air Patrol (CAP) and the Air & Space Forces Association (AFA) wish to honor an outstanding collaborative ACE classroom teacher and CAP squadron teams participating in the [ACE Plus program](#).

The deadline to submit nominations is April 25 of the current school year.

- ***Either the teacher or the squadron can submit the award on behalf of the collaborative team.***

Why should you take the time to submit a nomination?

Individuals and groups take pride in being honored for outstanding achievements. Additionally, being honored and sharing success stories may inspire others and/or spark new ideas that can spur other teachers and squadrons to connect and make significant contributions to the future of the students involved. Not only will the award winners receive national recognition through the Civil Air Patrol's AE newsletter and website, but award winners should publicize their achievement in their local community to help showcase the great accomplishments taking place within their local schools.

What should you submit?

Submit the completed form, below.

Submit at least 3 good representative photos of the uniformed squadron members working with the students on one of the activities or lessons in the ACE Plus program.

Additional photos can be sent of extra activities conducted by the team.

Along with national publicity, as mentioned above, the following prizes are provided to the ACE Plus winners:
