

# AEM Free Renewal Form – Complete and return:

Your Civil Air Patrol Aerospace Education Membership (AEM) has expired.

The free renewal involves an 'in-kind' participation from our members. In other words, we simply ask that you identify what CAP aerospace education (AE) products or programs you plan to utilize during your next year of membership in return for receiving the complimentary membership renewal.

The following 'in-kind' options are available for your participation. For additional information about any product or program, click on each item for descriptors.

**AE Member Name:**

**CAP ID#:**

**I plan on using/participating in the following during the next year of membership (check all that apply):**

- [ACE: K-6 Aerospace Connections in Education \(ACE\) Program](#)
