

Building a Better Tomorrow, One Student at a Time

As the official Auxiliary of the United States Air Force, Civil Air Patrol joins hands with the Air Force Association to help address national issues for the youth of America:

- ◇ Character Development
- ◇ Leadership Training
- ◇ Physical Fitness
- ◇ STEM Career Exploration

Civil Air Patrol's Educator and Youth Development Programs: *Exciting* *Engaging* *Inspiring*

Civil Air Patrol

*Partners
for the
Future*

Setting the patriotic
compass and the
academic fortitude to
build the aerospace
and STEM workforce
for tomorrow

No Cost Civil Air Patrol Programs Provided for AFA Chapters

- ⇒ **Teacher Orientation Program (TOP) Flights:** Provided free for AFA chapters when conducting educator workshops during which CAP also provides free educator materials.

- ⇒ **K-12 Aerospace Education Excellence (AEX) Award Program:** Hands-on STEM program ending with a museum tour or other event.

- ⇒ **K-6 Aerospace Connections in Education (ACE) Program:** Engages youth in aerospace-themed STEM, character ed, and physical fitness inquiry-based lessons and activities. Free class sets of student materials.

CAP & the AFA: Touching the Future of AMERICA'S YOUTH

- ⇒ AFA chapters are offered the opportunity to provide free aerospace/STEM products & programs to K-12 educators to interest young people about STEM careers.

- ⇒ **CAP's Cadet program** fosters leadership, mentorship, & career exploration. The AFA provides awards to these cadets and provides AE/STEM grants to the units.

- ⇒ AFA's **CyberPatriot & StellarXplorers** programs are promoted to CAP's units and educator members throughout the year.

- ⇒ CAP enhances AFA's mission to inspire youth to pursue careers that will serve to maintain national security.

**Col Nicole Malachowski,
First Female
Thunderbird Pilot**

**Former
CAP
Cadets
Now
STEM
Leaders**

**Col Eric Boe,
Astronaut**

Free CAP Aerospace Education Member (AEM) Program for AFA Chapters

- ⇒ **Aerospace Education Member:** This special category of membership in CAP is for any adult who works with young people in an educational capacity— teachers and youth leaders.

AFA Chapters can provide free AE memberships to Chapter & State Teachers of Year AND to any educators in the community. Benefits to educators include:

- ◆ **Over 40 free national academic standards-based educational K-12 products**
- ◆ **15+ free STEM Kits in areas of cyber, aviation, and space, with engineering, robotics, and more.**

- ◆ **\$35 one-time fee waived for "chapter-sponsored" educators. Contact afa@capnhq.gov for free code for chapter use.**
