

Civil Air Patrol's

Adopt-a-Classroom

Program

Who? Any 6th grade classroom teacher from a public or private accredited school. (If a 5th, 7th, or 8th grade teacher is interested, they are welcome!)

Why? To build relationships between teachers and CAP squadrons that stimulates interest in aerospace-related STEM subjects and careers for students.

How? Teachers register for the CAP's *Aerospace Connections in Education (ACE)* program and then request of adopt@capnhq.gov to have the closest CAP squadron's adults and cadets provide virtual or in-person (as is appropriate) classroom ACE lesson support, student mentorship, and introduction to CAP.

When? Any time soon, so there is time this school year to conduct the program.

What is involved? View this [Adopt-a-Classroom introductory video](#) to find out. But, basically, the CAP adult and cadets will teach a minimum of 3 lessons for your students (either virtually or in-person to adapt to COVID-19 restrictions) and provide all the free materials for each of your students!

What are the procedures?

See the [Info for Teachers](#).

First, the teacher needs to join CAP as an Aerospace Education Member (AEM) at NO cost and then will be eligible for the many **FREE** aerospace/STEM products and programs found on our [Educators Page](#), to include a free teacher flight at your local airport! (Ask us for the free code for membership in this program!)

Contact for more information? adopt@capnhq.gov

Some CAP “Adopt-a-Classroom” connections have already been established, so it is hoped **YOUR** classroom will be next!

AZ Wing Director of Aerospace Education, Maj Ron Marks, has connected with teacher member, Lisa Love--- in person, virtually with her students, and in a Teacher Orientation Program (TOP) flight. This is an “Adopt-a-Classroom” program in the works. This could be YOU in your state!

The CAP team in IN has connected with the closest Air Force Association (AFA) chapter to help support the THRIVE school program.

The CAP and AFA want to join hands to help teachers in their community! They will even sponsor these special ACE shirts for **YOU!**
