Arizona Wing CAP

Purpose

Themes

The purpose of using a theme based approach to safety topics is to allow similar information to be presented during the same month. Additionally, ties between the topics are more likely to occur.

Newsletter Articles

The purpose of the newsletter is to present information in a written format allowing AZWG members an opportunity to read at a time of their choosing information on a safety topic. Articles are expected to occur in the following areas:

- Aviation
 - Tying into our Aerospace Education mission & flight operations
 - Cadet Programs
 - Emergency Services
-

Unit Briefing

The purpose of the unit briefing will be to provide subordinate unit safety officers a starting point for their required monthly briefings. The AZWG provided brief will be based upon the monthly theme. It is not mandatory that the units use this brief, but it is available for their use in whole or in part. Areas that are included:

- Aviation
 - Tied into the newsletter article
- Cadet Program
 - Tied into the newsletter article
- Emergency Services
 - Tied into the newsletter article
- Operational Risk Management
 - Annual requirement spread out over the year
- Safety Lessons Learned
 - Review of recent mishaps
