Dear Mr. Sorenson:

Thank you for sending the information concerning the Civil Air Patrol. I have been intensely interested in reading about the broad program and objectives.

It is with pleasure that the boys and ^I give permission to have General Arnold's name used in the Achievement in Phase II in the Civil Air Patrol Program.

We feel it is a great honor to have him identified with this wonderful program.

Sincerely

Sharon P. Arnold

(Mrs. H. H. Arnold)

HAP ARNOLD
