UNCLASSIFIED

Communications Education and Training

- **Impact**

- **Consider the impact of what we do, prepare and require**
- **What is the net result at the squadron?**
- **Do we increase expertise?**
- **Do we attract people with CAP-needed skills?**
- **Do we create make-work and drive talent away?**
- **It's a delicate balance we need to be aware of**

UNCLASSIFIED

Communications Education and Training

- **Basic**
 - **Experienced people forget or get rusty**
 - **New people need help and guidance**
 - **Much of our training is focused on basics**
 - **Should we be developing high-level specific stuff ... or leaving it to local (wing/region) leaders to guide?**
 - **Input from the field has been VERY Very sparse**

UNCLASSIFIED

Communications Education and Training

- **19 Modules online now, more to come.**
- **Technical issues uploading programs to servers**
- **We were 12 years behind, we are catching up**
- **100% to pass ?? We are educating, not badge collecting**
- **Some advanced modules require you to be familiar with communications, info not in lesson**

UNCLASSIFIED

Communications Education and Training

- **DOD Comm Exercises**
- **AF has seen how well we have built our HF system**
- **Cluttered channels**
- **New Guide to Exercises coming out soon !!**
- **Will happen quarterly**

UNCLASSIFIED

Communications Education and Training
