OPERATION AND MAINTENANCE OF CIVIL AIR PATROL VEHICLES

CAPR 132-1, dated 19 May 2025, is supplemented as follows:

8.3.1. Added. While the original CAPF 132 may be maintained at the location of vehicle assignment, a signed copy of the CAPF 132 will be entered in ORMs no later than one week from the beginning of each month. All Squadron Commanders will ensure that mileage reporting in ORMS is completed by the 7th of the month.

11.8.1. Added As the requirement for first aid kits are optional for ground vehicles, for Maine Wing corporate vehicles the carrying of such kits will be prohibited.

13.2.1. Added All vehicle maintenance expenses over \$500 must be approved by CAP/LGT. Units will obtain estimates and forward to the Wing Finance Officer for processing. If approved, final invoice and evidence of payment will be submitted to Wing HQ no later than 10 days after service has been completed.

13.5.1.1. Added Wing commander written approval is hereby authorized, but not required, for any Maine Wing corporate vehicle to have light bars installed provided they are only amber or amber/white.

MARK HYLAND, Col, CAP
Commander
