ARTICLE XVI MEMBERSHIP ACTION REVIEW PANEL

1. Members who have been subject to a final adverse membership action and have exhausted all administrative remedies within Civil Air Patrol, shall have a right to appeal the action to the Membership Action Review Panel (MARP). For purposes of this article, an adverse membership action is defined as demotion in grade; removal from command of a region, wing (other than during the probationary period); suspension of membership in excess of sixty (60) days due to regulatory infractions or misconduct not giving rise to a criminal investigation or criminal charges or proceedings; or termination of membership.

2. The Membership Action Review Panel shall accept an appeal of a final adverse membership action only if the Membership Action Review Panel determines after an initial review that the action appears to have been motivated by retaliation, reached without due process, or involved a material failure to follow applicable Civil Air Patrol regulations. The Membership Action Review Panel may accept or decline an appeal of a final adverse membership action in all other cases.

3. The Membership Action Review Panel shall be chaired by the volunteer Chief of the CAP Legal Officer Corps or his/her designee, who must be a duly appointed CAP legal officer. The chair of the MARP shall be a non-voting, ex-officio member of the MARP. Membership shall consist of eight (8) voting members, one from each region. Membership is limited to those members serving in the grade of Colonel or higher and not currently serving as a commander or vice commander at any level. Each Region Commander will nominate a slate of candidates for the MARP, and the National Commander will select one from each region for appointment. Region Commanders may only nominate members assigned to units within their Region. The members of the MARP must be confirmed by the Board of Governors and will serve a term of four (4) years. The terms shall be staggered, and a member shall not be eligible for reappointment. Two (2) new members shall be appointed per year. A MARP member shall not consider a review from an applicant from the region he/she represents. If the individual appealing to the MARP is assigned at the National level, all eight voting members will participate in the appeal. In the event of a tie vote on any appeal action, the MARP will automatically sustain the commander's action. In all matters involving members not assigned at the National level, five (5) voting members shall constitute a quorum; in matters involving members assigned at the National level, seven (7) members shall constitute a quorum. Designees may serve only in the event the chair or named member is unable to participate due to a conflict of interest.

4. If the Chair of the MARP seeks legal advice from, or legal advice is otherwise provided to the MARP by the CAP General Counsel, a decision not to follow the legal advice must be documented and briefed to the BoG for awareness and action if necessary.

5. The MARP shall follow administrative and procedural instructions provided by General Counsel to the extent that the same are not inconsistent with the CAP Constitution, Bylaws, or regulations. If the MARP disagrees with the administrative or procedural instruction and consensus with General Counsel cannot be reached, the issue must be presented to the Governance Committee for administrative and/or procedural determination.

6. The Membership Action Review Panel may affirm, reverse, or modify in favor of the member the final adverse action. Furthermore, if the Membership Action Review Panel determines that the adverse membership action was reached without due process or involved a material failure to follow applicable Civil Air Patrol regulations, it may remand the case to the party who initiated the adverse membership action to correct the deficiencies.

7. The Board of Governors may, to the extent not inconsistent with the CAP Constitution and Bylaws, direct the MARP to rescind a decision or a portion of a decision, or reverse a decision of an appeal heard by the MARP. This in no way affords CAP members the opportunity to appeal directly to the BoG regarding the MARP's decision on hearing an appeal or its final decision after hearing the appeal. The BoG's action in this section applies strictly to MARP final decisions on appeals heard by the MARP, not to decisions made by the MARP on hearing an appeal.

8. Except as otherwise provided in Paragraph 7, the decision of the Membership Action Review Panel on all matters over which it has jurisdiction is final and not subject to further appeal or proceedings within Civil Air Patrol.

9. The rules of practice and procedure, as well as all decisions of the Membership Action Review Panel, shall be published.

3. The membership categories, eligibility, units, grades, rules, regulations, orders, directives, instruction manuals, administrative publications, and programs in effect on the date of the adoption of this revision of the Constitution shall continue in full force and effect thereafter until the same are changed, amended, revoked, or otherwise disposed of in accordance with any procedure which may be prescribed pertaining thereto.

2. Bylaws may be amended at any time by the approval of a majority of the members of the Board of Governors at a duly constituted meeting.

3. Proposals to amend the Constitution and/or Bylaws may be initiated by the Board of Governors or the CAP Senior Advisory Group.

c. Notwithstanding the foregoing, the Board of Governors may exercise its discretion in making exceptions to this process for any reason, including but not limited to administrative changes and exigent circumstances.

No entity of the Civil Air Patrol shall have the power to amend or eliminate any of the requirements established by federal statute, such statutory authority being reserved to the Congress of the United States. 12.2 Voting at the CAP Senior Advisory Group meetings shall be in person or by proxy. An officer eligible to vote at such meetings may appoint, in writing, a representative to serve as proxy. Any proxy authorization must be submitted to the National Commander prior to the opening of such meeting. No person may exercise more than one vote on any issue. affirmative vote of a majority of the members present is the act of the CAP Senior Advisory Group. The vote on any issue shall be by secret ballot if requested by a member entitled to vote thereon.

12.3 A majority of the votes on any issue shall constitute a decisive vote, unless in those cases where a vote of two-thirds of the members vote is required by Constitution. An abstention does not constitute a vote.

SECTION 13
MEETINGS OF THE BOARD OF GOVERNORS, CAP SENIOR ADVISORY GROUP AND CAP
COMMAND COUNCIL

13.1 The Board of Governors shall meet a minimum of three (3) times a year to perform its normal duties and responsibilities. Special meetings of the Board of Governors may be called by the Chairman of the Board of Governors for such times and at such places as the Chairman may determine or, upon written request to the Chairman by a majority of the Members of the Board of Governors.

13.2 Any or all BoG members may attend meetings in person or by video and/or audio conferencing or by other electronic means. By holding alternative meetings, the BoG does not lose its character as a deliberative assembly. An electronic meeting that is properly authorized is treated as though it were a meeting at which all the members who are participating are physically present together. A Member of the Board of Governors participating in a meeting by electronic means, except to protest on the record notice of such meeting, is deemed to be present in person at the meeting. The use of remote technology does not change the policy outlined in Section 12 above that only BoG members may participate and vote and should not be construed or used as a way to circumvent the prohibition against proxies.

13.3 Regular meetings of the Board of Governors may be held with twenty (20) calendar days' notice. Special meetings of the Board of Governors must be preceded by at least ten (10) calendar days' notice to each Member of the Board of Governors of the date, time, and place, and purpose, of the meeting. Other business not included in the notice shall not be transacted at a special meeting. A Member may at any time waive any notice required by this section. The waiver may be confirmed in writing or by electronic e-signature and shall be filed with the minutes or the corporate records. For the purpose of waiving notice of a meeting, receipt of a signature through a private key architecture document management system shall be sufficient to satisfy the requirements of waiving a meeting notice. A Member's attendance at or participation in a meeting waives any required notice of the meeting unless the Member at the meeting or prior to the vote on a matter not noticed objects to lack of notice and does not thereafter vote for or assent to the objected action.

13.4 Minutes of all meetings of the Board of Governors shall be signed by the Chairman, attested by the Executive Secretary, distributed to the Members of the Board of Governors in a timely manner but not later than forty-five (45) days from the meeting date. The meeting minutes shall include whether those members in attendance were physically present or present by electronic means. The Executive Secretary shall ensure timely approval of the minutes by the Board of Governors. All minutes shall be permanently kept at National Headquarters.

13.5 Any action required or permitted to be taken at a Board of Governors meeting may be taken without a meeting if the action is consented to by all Members of the Board of Governors. The action shall be evidenced by one or more written consents describing the action taken, signed by each Member, and shall be included in the minutes filed with the corporate records reflecting the action taken. Action taken under this section is effective when the last Member signs the consent, unless the consent specifies a

different effective date. A consent signed under this section has the effect of a meeting vote and may be described as such in any document.

13.6 The CAP Senior Advisory Group shall meet at least twice annually and may consider any business properly brought before it pursuant to Article X of the Constitution. Any or all members may participate in a regular or special meeting by, or conduct the meeting through the use of, any means of communication by which all members participating may simultaneously hear and speak with each other during the meeting. A member participating in a meeting by this means, except to protest on the record notice of such meeting, is deemed to be present in person at the meeting.

13.7 Meetings of the CAP Senior Advisory Group and CAP Command Council may be called by the National Commander for such times and at such places as the National Commander may determine or, upon written request to the National Commander, by a majority of the authorized positions of the CAP Senior Advisory Group or CAP Command Council.

13.8 Minutes of all meetings of the CAP Senior Advisory Group shall be signed by the presiding officer, normally the National Commander, attested by the Secretary, distributed to the members of the CAP Senior Advisory Group in a timely manner but, not later than forty-five (45) days from the meeting date. The secretary shall ensure timely approval of the minutes by the CAP Senior Advisory Group. All minutes shall be permanently kept at National Headquarters.

13.9 Any action required or permitted to be taken at a CAP Senior Advisory Group meeting may be taken without a meeting if the action is consented to by all members of the CAP Senior Advisory Group. The action shall be evidenced by one or more written consents describing the action taken, signed by each member of the CAP Senior Advisory Group, and shall be included in the minutes filed with the corporate records reflecting the action taken. Action taken under this section is effective when the last member of the CAP Senior Advisory Group signs the consent, unless the consent specifies a different effective date. A consent signed under this section has the effect of a meeting vote and may be described as such in any document.

13.10 The CAP Command Council will meet twice annually and focus on operational issues related to the CAP missions. Meetings will be used for the National Commander and staff to provide updates and discuss issues impacting the CAP mission. Continuing professional development may be accomplished during the CAP Command Council meetings.

13.11 All meetings of the Board of Governors and CAP Senior Advisory Group shall be held in accordance with Robert's Rules of Order unless otherwise provided in the Constitution or Bylaws or by act of that body as provided in Robert's Rules of Order.

13.12 It is the policy of CAP to allow for electronic meetings in accordance with appropriate provisions of the current version of Robert's Rules. CAP Bylaws Section 13.3 above applies for notification of regular and Special Call electronic meeting. Special Call electronic meetings are open within the capacity of the electronic media being utilized unless the meeting is being conducted in executive session. Minutes will be handled and processed in accordance with established CAP meeting process/procedure in this section.

A member participating in a meeting by this means, except to protest on the record notice of such meeting, is deemed to be present in person at the meeting.

SECTION 25
GENERAL STANDARDS OF CONDUCT FOR MEMBERS OF BOARD OF GOVERNORS

25.1 A Member of the Board of Governors shall discharge his/her duties as a Member of the Board of Governors, including his/her duties as a member of a committee:

- a. In good faith;
- b. With the care an ordinarily prudent person in a like position would exercise under similar circumstances; and
- c. In a manner the Member of the Board of Governors reasonably believes to be in the best interests of the corporation.

25.2 In discharging his/her duties, a Member of the Board of Governors is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:

- a. One or more officers or employees of the Corporation whom the Member of the Board of Governors reasonably believes to be reliable and competent in the matters presented;
- b. Legal counsel, public accountants or other persons as to matters the Member of the Board of Governors reasonably believes are within the person's professional or expert competence; or
- c. A committee of the Board of Governors or a committee of the CAP Senior Advisory Group of which the Member of the Board of Governors is not a member, as to matters within its jurisdiction, if the Member of the Board of Governors reasonably believes the committee merits confidence.

25.3 A Member of the Board of Governors is not acting in good faith if the Member of the Board of Governors has actual knowledge concerning the matter in question that makes reliance otherwise permitted by subsection 25.2 unwarranted.

25.4 A Member of the Board of Governors is not liable to the Corporation, or to any employee or member of Civil Air Patrol for any action taken or not taken as a Member of the Board of Governors, if the Member of the Board of Governors acted in compliance with this section.

25.5 A Member of the Board of Governors shall not be deemed to be a trustee with respect to the Corporation or with respect to any property held or administered by the Corporation, including without limitation, property that may be subject to restrictions imposed by the donor or transferor of such property.

SECTION 26
MEMBER OF THE BOARD OF GOVERNORS CONFLICT OF INTEREST

26.1 A conflict of interest transaction is a transaction with the corporation in which a Member of the Board of Governors has a direct or indirect interest. A conflict of interest transaction is not voidable or the basis for imposing liability on the Member of the Board of Governors if the transaction was approved or ratified by the Board of Governors in accordance with the procedures outlined in this Section. A transaction in which a Member of the Board of Governors has a conflict of interest may be approved or ratified if the material facts of the transaction and the member's interest were disclosed at the time of the Board of Governors deliberation of the transaction.

26.2 For purposes of this section, a Member of the Board of Governors of the corporation has an indirect interest in a transaction if: (1) another entity in which the Member of the Board of Governors has a material interest or in which the Member of the Board of Governors is a general partner, is a party to the transaction or (2) another entity of which the Member of the Board of Governors is a director, officer, or trustee is a party to the transaction.

If a majority of the members of the Board of Governors who have no direct or indirect interest in the transaction vote to authorize, approve, or ratify the transaction, a quorum is present for the purpose of taking action under this Section. A member of the Board of Governors with a direct or indirect interest in the transaction may not participate in deliberations or vote on this transaction.

SECTION 27
INDEMNIFICATION OF MEMBERS OF THE BOARD OF GOVERNORS

27.1 For purposes of this Section:

a. "Member of the Board of Governors" means an individual who is or was a Member of the Board of Governors, or an individual who, while a Member of the Board of Governors, is or was serving at the Corporation's request as a director, officer, partner, trustee, employee, or agent of another foreign or domestic business or nonprofit corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise. A Member of the Board of Governors is considered to be serving an employee benefit plan at the Corporation's request if the Member of the Board of Governors' duties to the Corporation also impose duties on, or otherwise involve services by, the Member of the Board of Governors to the plan or to participants in or beneficiaries of the plan. "Member of the Board of Governors" includes, unless the context requires otherwise, the estate or personal representative of a Member of the Board of Governors.

b. "Expenses" include counsel fees;

c. "Liability" means the obligation to pay a judgment, settlement, penalty, fine (including an excise tax assessed with respect to an employee benefit plan), or reasonable expenses actually incurred with respect to a proceeding.

d. "Party" includes an individual who was, is or is threatened to be made a named defendant or respondent in a proceeding; and

e. "Proceeding" means any threatened, pending, or completed action, suit or proceeding whether civil, criminal, administrative, or investigative and whether formal or informal.

27.2 Except as provided in Section 27.5, Civil Air Patrol shall defend and indemnify an individual made a party to a proceeding because the individual is or was a Member of the Board of Governors against liability incurred in the proceeding if the individual:

a. Conducted himself or herself in good faith; and

b. Reasonably believed:

(1) In the case of conduct in his/her official capacity with the Corporation, that his/her conduct was in its best interests; and

(2) In all other cases, that his/her conduct was at least not opposed to the Corporation's best interests; and

(3) In the case of any criminal proceeding had no reasonable cause to believe his/her conduct was unlawful.

27.3 A Member of the Board of Governors' conduct with respect to an employee benefit plan for a purpose the Member of the Board of Governors reasonably believed to be in the interests of the participants in and beneficiaries of the plan is conduct that satisfies the requirements of subsection 27.2.b.2.

27.4 The termination of a proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent is not, of itself, determinative that the Member of the Board of Governors did not meet the standard of conduct described in this Section.

27.5 Civil Air Patrol may not indemnify a Member of the Board of Governors under this section:

a. In connection with a proceeding by or in the right of the Corporation in which the Member of the Board of Governors was adjudged liable to the Corporation; or

b. In connection with any other proceeding charging improper personal benefit to the Member of the Board of Governors, whether or not involving action in his/her official capacity, in which the Member of the Board of Governors was adjudged liable on the basis that personal benefit was improperly received by the Member of the Board of Governors, or in connection with a transaction in which the Member of the Board of Governors failed to disclose a conflict of interest.

27.6 Defense and/or indemnification permitted under this Section in connection with a proceeding by or in the right of the Corporation are limited to reasonable expenses incurred in connection with the proceeding.

27.7 Civil Air Patrol shall indemnify a Member of the Board of Governors who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which he or she was a party because he or

she is or was a Member of the Board of Governors against reasonable expenses actually incurred by the Member of the Board of Governors in connection with the proceeding.

27.8 Civil Air Patrol may pay for or reimburse the reasonable expenses incurred by a Member of the Board of Governors who is a party to a proceeding in advance of final disposition of the proceeding if:

a. The Member of the Board of Governors furnishes the Corporation a written affirmation of his/her good faith belief that he or she has met the standard of conduct described in Section 27.2;

b. The Member of the Board of Governors furnishes the Corporation a written undertaking, executed personally or on his/her behalf, to repay the advance if it is ultimately determined that he/she did not meet the standard of conduct; and

c. A determination is made that the facts then known to those making the determination would not preclude indemnification under Section 27.

d. The undertaking required by subsection 27.7.b. must be an unlimited general obligation of the Member of the Board of Governors but need not be secured and may be accepted without reference to financial ability to make repayment.

e. Determinations and authorizations of payments under this Section shall be made in the manner specified in Section 27.8.

27.9 Civil Air Patrol may not indemnify a Member of the Board of Governors unless authorized in the specific case after a determination has been made that indemnification of the Member of the Board of Governors is permissible in the circumstances because the Member of the Board of Governors has met the standard of conduct set forth in Section 27.2.

a. The determination shall be made:

(1) By the Board of Governors by majority vote of a quorum consisting of Members of the Board of Governors not at the time parties to the proceeding;

(2) If a quorum cannot be obtained under Subsection 27.8.a.1, by majority vote of a committee duly designated by the Board of Governors (in which designated Members of the Board of Governors who are parties may participate), consisting solely of two (2) or more Members of the Board of Governors not at the time parties to the proceeding;

(3) By special legal counsel hired by the Board of Governors solely for the purpose of making the determination; and

(a) Selected by the Board of Governors or its committee in the manner prescribed in subsection 27.8.a.1 or 2; or

(b) If a quorum of the Board of Governors cannot be obtained under subsection 27.8.a.1 and a committee cannot be designated under subsection 27.8.a.2, selected by majority vote of the full Board of Governors (in which selection Members of the Board of Governors who are parties may participate).

b. Authorization of indemnification and evaluation as to reasonableness of expenses shall be made in the same manner as the determination that indemnification is permissible, except that if the determination is made by special legal counsel, authorization of indemnification and evaluation as to reasonableness of expenses shall be made by those entitled under subsection 27.8.a.3 to select counsel.
