CAP NATIONAL CONFERENCE

CADET CODE OF CONDUCT

Attending the CAP National Conference is a privilege and as such you are expected to behave professionally. Whether you are in or out of uniform at the conference or in Kansas City, you are representing Civil Air Patrol and must abide by CAP rules and regulations. We want you to learn and have fun but ultimately your safety, health, and well-being is the number one priority. This document will also be shared with your parents/guardians on file and your CAP Cadet Chaperone.

1. As a member of CAP it is expected that you follow all CAP regulations and abide by the Core Values: Integrity, Respect, Excellence & Service.

2. Cadets may move independently within the main conference spaces during active, populated times. However, when traveling to or from the main conference spaces (or after hours), cadets are required to travel in groups of three or more. Main Conference spaces are limited to: CAP-designated rooms, during conference hours.

3. Cadets may not use the pool area. Use of the gym and other isolated hotel spaces should be limited to populated times, and cadets must always travel in groups of three and avoid interacting with unfamiliar adults.

4. Cadets are responsible for ensuring their chaperone knows their whereabouts, especially during early morning and late evening hours.

5. Cadets may only be in their assigned hotel room or with their parents, guardians, or siblings, and are not permitted to visit or socialize in the hotel rooms of other cadets or senior members.

6. Cadet curfew is in effect from **10:30 PM to 6:00 AM**; during this time, cadets must remain in their assigned rooms unless accompanied by a parent, guardian, or chaperone.

7. Cadets may not leave the hotel unless accompanied by at least two senior members or their parent/guardian.

8. All cadets will be required to check in with the staff during designated times. Check-in is mandatory and will be recorded (times on back).

9. If you have symptoms of a cold, please stay in your hotel room and contact your chaperone *and* the Cadet Help Line.

    a. Contagious illnesses such as a cold, the flu or COVID can spread easily through a conference setting. Please stay in your room, wear a mask for necessary outings. Masks and COVID tests are available upon request.

By signing this document, you are agreeing to the code of conduct for the CAP National Conference.

- I acknowledge that attending this conference is a privilege and as such I will conduct myself professionally.
- I acknowledge that I am representing the Civil Air Patrol whether in or out of uniform for the duration of the conference and therefore must follow all CAP rules/regulations at all times.
- I acknowledge that if I do not abide by this code of conduct, I may be subject to disciplinary action (see below).
