13. How would you feel if more of the lessons were online modules?

- I'd like the whole course to be online modules, and eliminate the discussion pieces.
- More online modules would be great, that way there would be more time in the class for discussions
- The way it is now is perfect
- I would like less online modules and for it to be entirely in person, even if that meant a longer day in the classroom
- Other (please specify)

14. Any additional comments about the online modules?

15. How can National Headquarters improve this course?

16. Anything additional you would like to add?
