

Errata

February 2021

Page 3

Registration

Participating units register online via capmembers.com/RRLA. Previously, National Headquarters was funded to provide a RRLA kit to registering squadrons. Due to budgetary constraints, the materials listed under Registration (RRLA Curriculum Guide, page 3), are no longer available from NHQ.

Squadron Recognition

NHQ no longer sends certificates of recognition to the squadron via wing headquarters. Wings may print the certificates for presentation by the Wing Commander at an appropriate venue.
