Post-COVID-19 Remobilization of the Membership Plan

Phase II: Resuming One-Day Special Activities (AE Events, SAREXs, etc)

HIWG
Completed 9 October 2020

Template Updated 8 June 2020

COVID-19 Remobilization of the Membership Plan – Phase II

This plan has been developed for Hawaii Wing, using the template provided by the Civil Air Patrol National Headquarters to enter Phase II, Resuming One-Day Special Activities.

Additional staffing and resources have been coordinated with N/A, to cover gaps in this wing's available resources.

NOTE: Deviations from the template are authorized, but should be coordinated by contacting the COVID-19 Planning Team at COVID-19Plans@capnhq.gov.

Plan Coordinator and Point of Contact: Lt Col Timothy Rapp, HIWG/CV

Primary Phone: 808-381-8962

Primary Email: trapp@cap.gov

Narrative Summary of Coordination and Events To-Date in Hawaii Wing:

Hawaii Wing entered Phase I on 19 June. Honolulu County (Island of Oahu) returned to Phase 0 on 28 August due to a spike in cases and Honolulu County directive to return to Stay At Home status. Honolulu County returned to Phase I(-) on 25 September, when Honolulu resumed allowing social gatherings. Meanwhile, cases on the other three islands where CAP operates, particularly Kauai, are very minimal. Hawaii Mayors are taking a very conservative approach to reopening due to concerns about overwhelming our limited health system. Currently, social gatherings on Oahu are limited to 5 personnel by County rules. Gatherings on Maui and Hawaii islands are limited to 10. Gatherings on Kauai are limited to 10 indoors and 25 outdoors. The State gathers and shares very detailed data on the status of the pandemic, including new cases and positive test rates. The State also gathers and shares very detailed data on the status of the Hospital system. We continue to monitor all this data before making requests or decisions to advance to higher phases. We are using a mixed phase system due to the high degree of isolation between islands and the high variability in their COVID experiences. We are also tailoring group sizes to match county social gathering limits when they are lower than the CAP phase. Our general approach is to allow a county to advance to the next phase when its county limit exceeds the previous phase limit...e.g., once Oahu allowed gatherings of 5 personnel, we advanced it back to Phase I with a limit of 5 personnel per meeting. We anticipate moving Kauai to Phase II rather quickly after NHQ authorization, with a limit of 25 personnel outdoors and 10 indoors. Finally, we are requesting permission to allow Low Risk Cadets to participate in face-to-face meetings during Phase I, on a county-by-county basis, with Wing Commander approval, in our lower risk counties that retain a limit of 10 personnel per gathering. For example, we would like to allow senior cadet staff to meet face-to-face on Maui, even though we'll keep Maui in Phase I(+). We would not immediately allow cadets to do this on Oahu or Hawaii, however.

COVID-19 Remobilization of the Membership Plan – Phase II

Phase II: Resuming One-Day Special Activities (AE Events, SAREXs, etc)

NOTE: Resuming one-day special activities will not be done before it has been deemed appropriate to resume regularly scheduled meetings (i.e., this will start in Phase II).

Item#	Task	OPR/Assigned Personnel	Date Tasked	Suspense	Date Completed	Notes
2.1.	Wing Commanders should review their wing calendar for previously-postponed and upcoming day-only events	Wg/CC and Vice Wing CCs	19 Sep	3 Oct	3 Oct	Wg/CC will review potential Day Long events with Directors and Commanders at monthly Wing Staff meetings and Commanders' meetings.
2.1.1.	Wing priorities for training events should be coordinated with unit commanders' needs	Wg/CC and Vice Wing CCs	19 Sep	3 Oct	3 Oct	Wg/CC will review potential Day Long events with Directors and Commanders at monthly Wing Staff meetings and Commanders' meetings.
2.1.2.	Task staff officers to provide input on list of events and priorities:	Wg/CC and Vice Wing CCs	19 Sep	3 Oct		To be discussed at monthly staff meetings.
2.1.2.1.	Director of Aerospace Education	Maj Guiles	19 Sep	3 Oct	3 Oct	To be discussed at monthly staff meetings.
2.1.2.2.	Director of Cadet Programs	Lt Col Johnson	19 Sep	3 Oct	3 Oct	To be discussed at monthly staff meetings.
2.1.2.3.	Director of Operations/Emergency Services	Capt Murray	19 Sep	3 Oct	3 Oct	To be discussed at monthly staff meetings.
2.1.2.4.	Director of Professional Development	Maj Dryden	19 Sep	3 Oct	3 Oct	To be discussed at monthly staff meetings.
2.1.2.5.	Plans and Programs Officer	Lt Col McLaughlin	19 Sep	3 Oct	3 Oct	To be discussed at monthly staff meetings.
2.2.	Coordinate with subordinate unit leaders to deconflict calendar events to the greatest extent possible	Wg/CC and Vice Wing CCs	27 Jun	11 July	19 Sep	To be discussed at monthly staff meetings.
2.3.	Publish updated event listings to the Wing calendar and promote these dates to the units for their planning and participation	2d Lt Markle	19 Sep	As Needed	3 Oct	Events will be published to the Calendar as they are approved.
2.4.	Task the Director of Safety to coordinate with Activity Directors	Lt Col Becka	19 Sep	3 Oct	3 Oct	Dir of Safety will participate in Wing Staff meeting and review RM Forms as they are submitted.
NOTE:	<i>The term "Activity Directors" may include Incident Commanders that are directing exercises. Incident Commanders should use existing operational guidance for real-world missions and taskings. Use good judgement.</i>					
2.4.1.	Activity Directors will use Post-COVID-19 produced Risk Management (RM) forms to mitigate local risks	All	19 Sep	As Needed	3 Oct	Directors and Sq/CCs will submit RM forms to Wg/SE 30 days prior to each event for SE and Legal review, followed by Wg/CC approval.
2.4.2.	Activity Directors identify sources for face coverings, gloves, & sanitizer to use in case	Sq/CCs and Wing Admin	19 Sep	19 Sep	19 Sep	These supplies are all required currently and in all phases. Wg/CC memo directs all units and Wg

COVID-19 Remobilization of the Membership Plan – Phase II

of a return to increased risk						Admin to maintain supplies for all facilities, vehicles, and airplanes, and directs Activity Commanders to ensure enough supplies are available for each event.
-------------------------------	--	--	--	--	--	--

Phase II: Resuming One-Day Special Activities (AE Events, SAREXs, etc; continued)

Item#	Task	OPR/Assigned Personnel	Date Tasked	Suspense	Date Completed	Notes
2.5.	Task the Health Service Officer to coordinate with Activity Directors	All Activity Directors and Sq/CCs	19 Sep	3 Oct	3 Oct	Wg/CC memo directs all Activity Directors and Sq/CCs to ensure that these actions are in place for all meetings and events. Wing and Unit Health Services Officers will help educate and advise.
2.5.1.	Health Service Officers consider screening with no-touch thermometers at events (if such equipment is available and practical)	All Activity Directors and Sq/CCs	19 Sep	3 Oct	3 Oct	Wg/CC memo directs all Activity Directors, and Sq/CCs to ensure that these actions are in place for all meetings and events. Wing and Unit Health Services Officers will help educate and advise. Wing has purchased no-touch thermometers for all units. Screening at the door of each event will take place regardless.
2.5.2.	Health Service Officers remind members that identify as High-risk to remain home, but participate virtually	All Activity Directors and Sq/CCs	19 Sep	3 Oct	3 Oct	Wg/CC memo directs all members, Activity Directors and Sq/CCs to only allow Low Risk members to participate in in-person meetings. Wing and Unit Health Services Officers will help educate and advise.
2.5.3.	Health Service Officers ensure that there is a cleaning/sanitizing plan for commonly touched surfaces, a hand washing plan, a face covering plan, a temperature check plan (either performed prior to entering the activity with a no-touch thermometer or performed at home prior to coming to the activity), and a social distancing plan.	All Activity Directors and Sq/CCs	19 Sep	3 Oct	3 Oct	Wg/CC memo directs all Activity Directors and Sq/CCs to ensure that these actions are in place for all meetings and events. Wing and Unit Health Services Officers will help educate and advise.
2.5.4.	Units will ensure no more than 50 members are together at gatherings. Squadrons with	All Activity Directors and	19 Sep	19 Sep	Approved as they are	Wg/CC memo directs Sq/CCs with more than 50 members to submit a plan on how they will comply

COVID-19 Remobilization of the Membership Plan – Phase II

	more than 50 members must submit a plan on how they will comply with restrictions	Sq/CCs			submitted	with NHQ and State/County guidance on gathering size restrictions.
2.6.	Ensure Activity Directors have plans in place to communicate last-minute cancellations of events to participants	All Activity Directors and Sq/CCs	19 Sep	As Needed	Approved as they are submitted	Wg/CC memo directs all Activity Directors and Sq/CCs to have a continuation/cancellation plan with positive decisions made at the 45, 14, 7, 1, and 0 day mark.
2.7.	Ensure Activity Directors have plans in place to conduct verification of local public health guidance, local weather, and any other information that may lead to event cancellation (Continuation Check)	All Activity Directors and Sq/CCs	19 Sep	As Needed	Approved as they are submitted	Wg/CC memo directs all Activity Directors and Sq/CCs to have a continuation/cancellation plan with positive decisions made at the 45, 14, 7, 1, and 0 day mark.
2.7.1.	45 Days Prior Continuation Check	All Activity Directors and Sq/CCs	19 Sep	As Needed	Approved as they are submitted	Wg/CC memo directs all Activity Directors and Sq/CCs to have a continuation/cancellation plan with positive decisions made at the 45, 14, 7, 1, and 0 day mark.
2.7.2.	14 Days Prior Continuation Check	All Activity Directors and Sq/CCs	19 Sep	As Needed	Approved as they are submitted	Wg/CC memo directs all Activity Directors and Sq/CCs to have a continuation/cancellation plan with positive decisions made at the 45, 14, 7, 1, and 0 day mark.
2.7.3.	7 Days Prior Continuation Check	All Activity Directors and Sq/CCs	19 Sep	As Needed	Approved as they are submitted	Wg/CC memo directs all Activity Directors and Sq/CCs to have a continuation/cancellation plan with positive decisions made at the 45, 14, 7, 1, and 0 day mark.
2.7.4.	1 Day Prior Continuation Check	All Activity Directors and Sq/CCs	19 Sep	As Needed	Approved as they are submitted	Wg/CC memo directs all Activity Directors and Sq/CCs to have a continuation/cancellation plan with positive decisions made at the 45, 14, 7, 1, and 0 day mark.
2.7.5.	Day-Of Continuation Check	All Activity Directors and Sq/CCs	19 Sep	As Needed	Approved as they are submitted	Wg/CC memo directs all Activity Directors and Sq/CCs to have a continuation/cancellation plan with positive decisions made at the 45, 14, 7, 1, and 0 day mark.

COVID-19 Remobilization of the Membership Plan – Phase II

Phase II: Resuming One-Day Special Activities (AE Events, SAREXs, etc; continued)

Item#	Task	OPR/Assigned Personnel	Date Tasked	Suspense	Date Completed	Notes
2.8.	Ensure Unit Commanders are aware of and following the same procedures for unit-only single-day activities (i.e., they are the Activity Director for the purposes of this checklist, for unit events)	Sq/ CCs	19 Sep	As needed	Approved as they are submitted	Sq/CCs and Activity Directors tasked via the Wg/CC memo.
2.9.	Email this plan to signal intentions to resume single-day events to the CAP COVID-19 Planning Team at COVID-19Plans@capnhq.gov , and copy the Region Commander	Lt Col Rapp	11 Oct	11 Oct	11 Oct	
2.9.1.	Briefly describe/summarize previous coordination accomplished (i.e., 2.1 through 2.8 above)	Lt Col Rapp	11 Oct	11 Oct	11 Oct	
2.9.2.	Verify no jurisdictional restrictions are in place from State or Local Governments	Lt Col Rapp	19 Sep	19 Sep	19 Sep	
2.9.3.	Set date to resume one-day special activities	Lt Col Rapp	19 Sep	TBD	TBD	Date is TBD, pending NHQ approval and Wg/CC approval.
2.9.4.	Receive approval from the CAP COVID-19 Planning Team to resume one-day special activities. Plan for one-week lead time.	Lt Col Rapp	TBD	TBD	TBD	
2.10.	Publish the date that one-day special activities will resume to subordinate units	Wg/CC	TBD	TBD	TBD	
2.11.	Task Wing Director of Operations to communicate the following to subordinate units	Capt Murray	19 Sep	2 Nov		
2.11.1.	Identify flight operations permitted during Remobilization Phase II	Capt Murray	19 Sep	11 Oct	11 Oct	Wing Phased Guidelines, updated 9 Oct, identifies authorized flight activities in all phases
2.11.2.	Identify requirements (Currency, etc) for Senior members	Capt Murray	19 Sep	2 Nov		
2.11.3.	Identify cadet training requirements that may be different than Phase I requirements	Capt Murray	19 Sep	2 Nov		

COVID-19 Remobilization of the Membership Plan – Phase II

2.11.4	Identify cleaning standards for aircraft and vehicles before and after use	Capt Murray	19 Sep	19 Sep	19 Sep	Cleaning standards in Phase II are the same as Phase 0 and have already been established/directed by Wing Phased Guidelines, attached to this plan.

Honolulu, Hawaii 96819-1821

XX October 2020

MEMORANDUM FOR All Hawaii Wing Members, Parents, and Sq/CCs

SUBJECT: Amendment 3 to Hawaii Wing COVID-19 Remobilization

1. **Advancing Kauai to Phase II(-).** Upon Wing Commander approval of your Unit Plan, CAP Activities on Kauai are authorized to proceed to Phase II(-) under the revised Hawaii Wing COVID-19 Phased Guidelines attached to this letter. In accordance with the County Guidance, CAP activities on Kauai, although in Phase II, **must not exceed a group size of 10 Low Risk Members indoors and 25 Low Risk Members outdoors.**
2. **Advancing Maui to Phase I(+).** Low Risk Cadets are now authorized to participate in face-to-face meetings on Maui. Follow all other restrictions and risk mitigation in the Hawaii Wing Phased Guidelines.
3. Cadet Orientation Rides are now authorized for all units during Phase I. Units conducting such flights should pay special attention to the risk mitigation requirements for Aviation in the attached Hawaii Wing Phased Guidelines.
4. Activities on Oahu remain in Phase I(-)—with group sizes limited to 5. Activities on Hawaii Island remain in “standard” Phase I.
5. All previous directives and guidelines are rescinded.
6. **Current Hawaii Wing Remobilization Status for All Counties:**

County	Phase	Gathering Size (Indoor/Outdoor)	Cadets Allowed	O-Rides
Honolulu	I(-)	5 / 5	N	Y
Kauai	II(-)	10 / 25	Y	Y
Maui	I(+)	10 / 10	Y	Y
Hawaii	I	10 / 10	N	Y

7. Hawaii Wing activities within each county will be in accordance with the attached revised Hawaii Wing Phased Guidelines, effective immediately and until modified by Wing Commander direction. Members should always comply with any State or County guidance that is more restrictive than Hawaii Wing Phased Guidelines and notify Lt Col Tim Rapp immediately upon discovering such guidance. We will continue to monitor State and County guidance and the progress of the pandemic to determine when it is appropriate to make additional phase adjustments.

8. As a reminder, it is important for all members and parents to be aware of the following aspects of our plan:
 - a. Our plan is in accordance with CAP National Headquarters (NHQ) guidance, which is derived from White House “Opening Up America Again” guidance.
 - b. We have worked to ensure that Hawaii Wing Phased Guidelines are in compliance with State and County guidance. State and County guidance will always take precedence if it becomes more restrictive.
 - c. We will continuously monitor key public health data for COVID-19 in Hawaii and its Counties to ensure our activities do not pose undue risk to members.
 - d. Members’ ability to participate in in-person events in Phases I through III depends on their self-assessed COVID-19 risk category—Low or High. Hawaii Wing and all Squadrons will strive to provide the fullest participation possible for High Risk members using the virtual tools we have developed during the pandemic. Members will determine their own risk category, in consideration of CDC guidance. (See attached Hawaii Wing Phased Guidelines.)
 - e. Policy and Health considerations will continue to vary across Counties and conditions may mandate a return to a lower phase. In order to maximize readiness and member experience, Hawaii Wing is allowing for Squadrons in different counties to be in different phases. It is important that Sq/CCs and all members remain aware of their current phase and that of other counties.

9. All Members.

- a. Continue to self-assess your COVID-19 risk category (Low or High), in accordance with CDC guidelines and in consideration of others with whom you live or have daily contact. The attached Hawaii Wing Phased Guidelines includes a summary of CDC guidance. Hawaii Wing will not question your self-assessment and will continue to provide maximum participation in for High Risk members via virtual means throughout all Phases.
- b. Maintain awareness of which phase your Squadron/County is in. If planning to attend a CAP event or mission that is in another County, verify that your participation is allowed and appropriate.

10. Squadron Commanders.

- a. Provide a detailed plan on how your unit will conduct activities in the next higher phase and **receive approval prior to your unit moving to that next higher phase, when moving to that phase for the first time.** Plan must describe the current County guidance on Social Gatherings and how your unit will ensure you do not exceed that guidance. (E.g., if the County limits gatherings to 25 personnel, how will you ensure no more than 25 personnel attend an event. Alternately/additionally, how will you ensure that you are able to maintain 6’ spacing within your facilities or by using outdoor spaces?) Submit plans directly to the Hawaii Wing Commander via email, with a cc to Lt Col Rapp.
- b. Follow attached Hawaii Wing Phased Guidelines for all phases. Acknowledge Wing notifications on Wing phase transitions for all counties and immediately transmit that notification to squadron members and parents. Squadrons will follow Wing’s Phased Guidelines for meetings and activities in their county and other counties to

which they may travel. Members will conduct a risk assessment and receive Wing/CC approval prior to CAP travel to a location in a different phase, other than on Essential Missions (see Phase 0 guidance for Essential Missions).

- c. Communicate with members and parents of cadets to reinforce themes in this memo and address any questions. Relay questions that cannot be answered at the squadron level to Lt Col Rapp.
- d. Other than during Phase 0, the Wing Headquarters Building is available for all Squadrons, particularly those on Oahu, to use for meetings, training, and other activities. The HQs building is larger than most squadron facilities, contains multiple rooms, and may provide options to spread out attendees to meet social distancing and maximum group-size requirements.
- e. Squadrons will continue to provide maximum opportunity for high-risk personnel to participate in CAP activities virtually during all phases.
- f. Conduct Safety and Risk Assessments. Unit Safety officers will:
 - o Emphasize continued use of face coverings, gloves, and hand sanitizer, as well as social distancing, hand washing and surface cleaning/disinfection. See attached Hawaii Wing Phased Guidelines for activities for sanitation protocols.
- g. Maintain procedures and kits for disinfecting assigned facilities, vehicles, and aircraft.

11. Activity Directors. All Activity Directors (lead project officer for day-long or longer events during Phase II or higher) will ensure that their plan includes conducting verification of local public health guidance, local weather, and any other information that may lead to event cancellation (Continuation Check) at the following points prior to the event: 45 days, 14 days, 7 days, 1 day, and the Day Of the event.

12. Let's Beat COVID! We all want to resume the full extent of various CAP activities we enjoyed prior to this pandemic and return to fully prepare ourselves for volunteer service. If we each maintain personal accountability for adhering to the plan our remobilization team has developed and commit to their risk mitigation measures, we will be able to train safely, protecting our most valuable resource—our members. Your Wing is moving to advance activities on all fronts. I have great respect for each of you who continue to positively contribute under adverse conditions, thank you.

CHANTAL LONERGAN, Colonel, USAF Auxiliary
Commander, Hawaii Wing

Hawaii Wing COVID-19 Phase 0 Guidelines

Current as of 9 October 2020. All previous versions rescinded.

Description:

- In-person activities limited to essential missions only, with risk mitigation below. Maximize virtual opportunities for training, professional development, aerospace education, and cadet programs. Review current waivers for: various cadet promotion and participation requirements; aircrew training and qualification; member onboarding (e.g. fingerprints).

In-Person Activities:

- Essential Missions Only
- Minimum essential number Low-Risk Senior Members
- See Risk Category slide for risk determination
- Clean facilities before and after
- Hand sanitizer available
- Health/Temperature check prior to entry
- Facemasks
- 6' physical distancing
- Handwashing breaks

Aircraft and Vehicles:

- Aircraft may be flown for maintenance, weekly engine runs, and essential missions, including “critical training and flight evaluations”
- Self –Assessment and temp check prior to mission
- IMSAFE tool pre-flight
- Decontamination of aircraft/vehicle pre/post operation
 - **DO NOT** use ammonia cleaners on aircraft glass screens
 - **DO** Use disinfecting solution of 70% isopropyl alcohol
- Surgical face masks if more than one person from different households (microphone easily fits under mask)
- Hand washing as needed using hand sanitizer 70%+ ETOH

Resources:

Hawaii Wing COVID-19 Phase I Guidelines

Current as of 9 October 2020. All previous versions rescinded.

Description:

- Limited numbers of Low-Risk Senior Members may participate in In-Person meetings, training, and flight activities, subject to the risk-mitigation below. Continue to maximize virtual opportunities for training, professional development, aerospace education, and cadet programs. Review current waivers for various cadet promotion and participation requirements.

In-Person Activities:

- Up to 10 Low-Risk Senior Members (**or county limit**)
- See Risk Category slide for risk determination
- Clean facilities before and after
- Hand sanitizer available
- Health/Temperature check prior to entry
- Facemasks
- 6' physical distancing
- Handwashing breaks

Aircraft and Vehicles:

- Aircraft may be flown for all purposes, except AFROTC, JROTC, and Teacher O-Rides
- Self –Assessment and temp check prior to mission
- IMSAFE tool pre-flight
- Decontamination of aircraft/vehicle pre/post operation
 - **DO NOT** use ammonia cleaners on aircraft glass screens
 - **DO** Use disinfecting solution of 70% isopropyl alcohol
- Surgical face masks if more than one person from different households (microphone easily fits under mask)
- Hand washing as needed using sanitizer 70%+ ETOH

Resources:

Hawaii Wing COVID-19 Phase II Guidelines

Current as of 9 October 2020. All previous versions rescinded.

Description:

- Limited numbers of Low-Risk Cadet and Senior Members may participate in In-Person meetings (including Day-Long Events), training, and flight activities, subject to the risk-mitigation below. Continue to maximize virtual opportunities for training, professional development, aerospace education, and cadet programs. Review current waivers for various cadet promotion and participation requirements.

In-Person Activities:

- Up to 50 Low Risk Members (**or county limit**), including cadets, per gathering
- Day-Long activities authorized
- See Risk Category slide for member risk determination
- Clean facilities before and after. Hand sanitizer available.
- Health/Temperature check prior to entry
- Handwashing breaks
- Facemasks: Indoor always / Outdoor: when not exercising
- 6' physical distancing

Aircraft and Vehicles:

- Aircraft may be flown for all purposes
- Self –Assessment and temp check prior to mission
- IMSAFE tool pre-flight
- Decontamination of aircraft/vehicle pre/post operation
 - **DO NOT** use ammonia cleaners on aircraft glass screens
 - **DO** Use disinfecting solution of 70% isopropyl alcohol
- Surgical face masks if more than one person from different households (microphone easily fits under mask)
- Hand washing as needed using sanitizer 70%+ ETOH

Determining COVID-19 Risk Category

High Risk Personnel Definitions:

- [People 65 years and older](#)
- People who live in a nursing home or long-term care facility
- People of all ages with [underlying medical conditions, particularly if not well controlled](#), including:
 - People with chronic lung disease or moderate to severe asthma
 - People who have serious heart conditions
 - People who are immunocompromised
Many conditions can cause a person to be immunocompromised, including cancer treatment, smoking, bone marrow or organ transplantation, immune deficiencies, poorly controlled HIV or AIDS, and prolonged use of corticosteroids and other immune weakening medications
 - People with severe obesity (body mass index [BMI] of 40 or higher)
 - People with diabetes and liver disease
 - People with chronic kidney disease undergoing dialysis
- People who work in nursing homes, hospitals, and other health care facilities
- Members/parents will make the determination of high/low risk. Hawaii Wing will not question that determination

Please Note These are suggested guidelines IAW CDC recommendations--the member or parent will make determination of low or high risk.

Ref: <https://www.cdc.gov/coronavirus/2019-ncov/need-extra-precautions/people-at-higher-risk.html>

*Note: Consider personnel who live with in the above categories as potentially high risk.
