

**HEADQUARTERS
CIVIL AIR PATROL, LOUISIANA WING
UNITED STATES AIR FORCE AUXILIARY
P.O. BOX 74670
BATON ROUGE, LA 70874-4670**

Approved: 13 Oct 2021

SUBJECT: Phase 3 COVID-19

1. Effective immediately when authorized by CAPNHQ, Louisiana Wing will transition to Phase 3 of the national COVID-19 remobilization plan. This will allow the wing and units to hold one-day events such as aerospace education activities, field trips, training exercises, flight clinics, community support events, Cadet Orientation flights and similar activities.
2. Recognizing that fully vaccinated individuals are at significantly lower risk, CAP recommends that all medically eligible/non-restricted individuals be vaccinated.
3. Resumption of face-to-face meetings is subject to the following limitations and safety requirements:
 - a. **The base level standard for Phase 3 is as follows:**
 - Face masks will be worn outside whenever social or physical distancing cannot be maintained. In addition, all members will wear face masks inside IAW Louisiana State guidelines until further notice.
 - Unvaccinated members, including all cadets who have not yet been fully vaccinated, will be required to wear masks, practice social distancing, and continue all other public health measures recommended by the CDC or state/local/tribal/territorial public health entity for the locality.
 - All members, including self-identified high-risk members may gradually return to intermittent unit, activity, and mission duties, however, should continue reasonable social distancing.
 - Those with external factors, such as childcare availability or those without low risk commuting options will gradually return.
 - Public health protection measures shall consist of common surface cleaning, social distancing for high-risk categories, hand hygiene, crowd reminders, and logistically preparing for any further COVID or Influenza season.
 - Refrain from operations near or in crowds; consider double arm interval distancing.
 - For overnight activities, maintain 6-feet between bed spaces.
 - A written attendance log is mandatory for all activities involving more than 10 persons and must be retained for future review.
 - Participation is limited to members whose general health places them at lower risk for COVID-19 vulnerability. Members who consider themselves in a high-risk category should consider all factors before attending activities. While it remains up to the member to self-determine the advisability of participating in activities, members exhibiting a temperature of 100.4 degrees Fahrenheit, flu-like symptoms, or who have come in contact with individuals exhibiting COVID-

19-like symptoms should weigh all options before opting to participate. As is possible, participation through virtual media should be made available to members wishing to attend in that venue

4. Non-essential travel in corporate vehicles or aircraft may resume with due consideration for appropriate risk mitigation.

5. Flight activities that are allowed are:
 - a. Flight Evaluations
 - b. Crew Proficiency
 - c. Dual Instruction (including cadet flight instruction such as in the Wings Program)
 - d. Individual aircrew training
 - e. Large Group Crew Training (units or groups of locally conducted training for members to earn crew qualifications.
Note: Reasonable and prudent routine cleaning of aircraft interiors at the end of the duty day is required. Extraordinary disinfecting means are no longer required.

6. Overnight events are allowed. Reasonable precautions remain necessary.

7. **LAWG will comply with Louisiana Department of Health guidelines and/or local municipality guidelines whenever those guidelines are more restrictive than the CAP guideline.**

Summary

As we move into Phase 3, existing guidelines regarding facial covering, disinfection, and social distancing remain in effect. Face to face meetings and overnight activities are authorized with the caveat that all reasonable and prudent measures as outlined above are followed.

Any illness in the unit is to be reported to the Wing Commander as soon as practical as well as any diagnosed case of COVID 19 within the membership.
