A large pyramid of sand, constructed from many small, light-brown grains, stands against a clear blue sky. At the very peak of the pyramid, a small figure of a person is visible, wearing a red shirt and dark pants, standing with their back to the camera. The pyramid's base is wide and tapers to a point at the top. The sky is a solid, clear blue, providing a stark contrast to the textured, golden-brown sand of the pyramid. The overall image conveys a sense of scale and hierarchy, with the person at the top representing the highest level of the structure.
