Group Capstone Project Peer Feedback

If this is a group project, the lead instructor will provide this sheet to each student in the group to provide their input. The instructor will combine input, keeping input anonymous when possible, and provide feedback to each student. Students who receive an Unsatisfactory rating from at least half of their teammates will meet with the instructor and may be required to complete a separate project for credit.

Project Title: _____

Unsatisfactory	**Marginal**	**Satisfactory**	**Excellent**
Member did not participate at all	Member participated in some ways but not their fair share	Member participated significantly	Member was a leader & contributed significantly
