If POV are used by CAP members to transport members during the event, the following portion of this form must be filled out.

I, _____, as the Project Officer of the event, have determined that it is required to use POVs to meet the transportation need of this activity. There are not enough corporate (CAP) vehicles available to support this event. I have also determined that all the vehicles listed below have current registrations and insurance.

I further certify that a vehicle safety check will be performed using the CAPF 73, *CAP Vehicle Inspection Guide and Usage Data*, prior to the event and maintained at the activity location after the event is completed.
