Instructions for writing a Commendable and closing a discrepancy on site

1. List “Identified Strengths or Weaknesses”, if any.

2. Delete all of these instructions.

3. A Commendable must:
   a. Apply directly to one or more of the already vetted mission-critical worksheet questions
   b. Be process oriented i.e. based on a fully implemented continuous improvement-type cycle (ex: PDCA)
   c. Include results over time from designated process points (ex: input-output; before-after) that are measurable and quantifiable (i.e. performance metrics)
   d. Clearly substantiate the improvements made by instituting the process in terms of money, manpower/man-hours saved and present benefits to members and/or mission

4. Should a discrepancy be closed on-site prior to the inspectors leaving, the discrepancy should be written up followed by this bullet point

This discrepancy was verified corrected - discrepancy closed, no further action required.
