Post-COVID-19 Remobilization of the Membership Plan

Phase I: Resuming Regularly Scheduled Meetings

Approved: 11 June 2020

Template Updated 12 May 2020
COVID-19 Remobilization of the Membership Plan – Phase I

This plan has been developed for Wyoming Wing, using the template provided by the Civil Air Patrol National Headquarters to enter Phase I, Resuming Regularly Scheduled Meetings.

Additional staffing and resources have been coordinated with RMR, to cover gaps in this wing’s available resources.

NOTE: Deviations from the template are authorized, but should be coordinated by contacting the COVID-19 Planning Team at COVID-19Plans@capnhq.gov.

Plan Coordinator and Point of Contact: Maj Tim Anderson

Primary Phone: (307)421-1547
Primary Email: tanderson@cap.gov

Narrative Summary of Coordination and Events To-Date in Wyoming Wing:

Wyoming is still in the moderate risk zone. 2 out of the 3 indicators is green for the state. However, the third indicator is only 0.04 away from being green and is holding steady. Given that fact, we are requesting Phase 1 the entire state.

Our squadron OPR’s that coordinated local information:
Wheatland – Lt Col Susan McDonald
Teton – Capt Jim Ormsby
Yellowstone – Lt Col BJ Carlson/Capt Karl Falken
Sheridan – Capt Brent Miller
Gillette – Maj Toni Brown
Casper – 2nd Lt Calvin Carey
Cheyenne – Capt Todd DePorter

Local counties and meeting locations were contacted to confirm guidelines and restrictions.

Wyoming does not have a legal officer, so we have requested a review by RMR/JA.

Good Evening,

We would like to thank all our Cadets, Senior Members, and Parents for their fortitude and patience during these trying times. As you may know, the safety of all of our members and families is of the utmost importance to all of us here in the Wyoming Wing.

Our team at Wing Headquarters and at your local Units will continue to monitor the situation and notify you in the case of any changes. For instance, we might need to suspend Phase 1 meetings if the State or County COVID Risk increases. Please keep in mind that we are implementing a slow and gradual process in order to safely resume normal Cadet Programs operation in these trying times. Our focus is on the health and safety of our Cadets, our Senior Members, and our families.

We thank you for your continued patience and your resiliency during these trying times. It is important that we continue to monitor ourselves, the COVID situation, and our responses to them. We will stay in communication with our leadership and subordinate units and ensure that you all get the most accurate information in order to make informed decisions. There will be more to come in the near future. If anyone has any questions please contact your unit representatives first before calling or emailing the Wyoming Wing Headquarters.
Our CAP motto is Semper Vigilans, Always Vigilant, and we will remain vigilant for our Wyoming Wing Family.
